# NOTES

## World Cup Soccer Games Proceed Without Serious Incident

Despite widespread rumors concerning terrorist operations planned to disrupt the World Cup soccer games, no significant terrorist incidents have occurred as of the midway point. Elaborate Argentine security arrangements, including a special 5000-man security force, and the terrorists' fear of creating a negative popular reaction to their cause, have apparently prevented terrorist actions in Argentina. One World Cup-related bombing occurred in Portugal, where a bomb exploded at the Argentine embassy to protest the repressive measures of the Argentine government. The World Cup matches will conclude on 25 June.
